## [ Performance ]

**Delivering competitive,  
professional and  
timely results since 1977**

Our bilingual customer service representatives are chosen for their ability to maintain a professional, courteous and compassionate manner, while asserting a consistent effort to reach a financial conclusion with the patient.

We endeavor to incorporate the following key values in our workplace:

**Excellence, Honesty, Mutual Respect  
and Teamwork.**

The pride we share working together to achieve a common goal is a reflection of these core values.
